April 2025

Dear all,

Thank you so much for raising a **fantastic £1,000.80** for Phyllis Tuckwell from your charity event on **Sunday 13th April 2025**. We're so grateful that you chose to support us and really appreciate the fantastic amount of money you have raised through this event. It's extremely kind of you to think of us, whilst also raising much needed funds but to raise awareness of our wonderful, vital services. We hope everyone who attended the day had a wonderful time and loads of fun. Thank you to everyone who supported and organised such a wonderful event.

Our aim is to make every day precious for our patients and their families who are living with an advanced or terminal illness, and thanks to your generosity we can make this happen.

"They were friendly, cheerful and always able to make Wendy smile. They were very professional too - you felt like you were in safe hands. It was always a positive experience whenever they came."

Robert, whose wife Wendy was cared for by our Hospice at Home team.

With the help of supporters like you, we are able to care for over 250 patients, relatives and carers each day – in their own homes, on our In-Patient until and at the Beacon Centre in Guildford.

The Government/NHS only cover 25% of our costs. Therefore, we have to raise over £25,000 every single day to provide our vital care free of charge, and donations such as yours are really important in helping us to do this.

On a final note, we are thrilled to let you know that our plans to build a new Hospice on our existing site in Farnham are progressing well. We are currently working hard to raise our final £1 million towards this project and are very grateful to everyone who has donated.
